Product Certification

Certification of Plastol 6420

The Euclid Chemical Company hereby certifies that its liquid admixture, Plastol 6420, is a polycarboxylate-based plasticizing admixture for concrete and meets or exceeds the requirements of ASTM C-494, Type A and F, and AASHTO M-194, Type F. Furthermore, it is also certified that Plastol 6420 does not contain calcium chloride or other potential corrosion enhancing ingredients.

For additional information please contact Euclid Chemical Technical Support at (800) 321-7628.

A handwritten signature in black ink, appearing to read "Ray Fete". The signature is stylized and cursive.
