Admixture Certification of Compliance

Re: Eucon 37

To Whom It May Concern:

The Euclid Chemical Company hereby certifies that its liquid admixture, Eucon 37 meets or exceeds the requirements of ASTM C-494, Type A and Type F as well as AASHTO 194. Furthermore, it is also certified that Eucon 37 does not contain calcium chloride nor added chloride ions other than those normally present in water.

Sincerely,

A handwritten signature in cursive script that reads "Jennifer Crisman".
